HALIFAX

Has some exciting news ... a New-to-You Retail Store

And we **NEED YOUR HELP** to grow this project by donating your gently used clothing, accessories and jewelry!

We are happily accepting donations at the new Hospice Residence, 618 Francklyn Street, weekdays from 7am - 5pm.

100% of the net revenue generated from our New-to-You retail store will directly help fund operations of our community's first Hospice Residence.

Our unique way of thanking our generous donors will be with a Charitable Tax Receipt issued for all goods sold in the shop.

Mark your calendars, our New-to-You Retail Store is set to Open Summer 2019. Please keep an eye out for more information.

Time to Donate!
