

Director of Philanthropy - Hospice Halifax

Director of Philanthropy

Hospice Halifax

Hospice Halifax is a compassionate, community-driven organization dedicated to providing exceptional end-of-life care. Founded in 2001, Hospice Halifax offers a peaceful, supportive environment for patients and their families, helping them navigate their journey with dignity and comfort. The organization is committed to holistic care that addresses not only the physical needs of patients but also their emotional, psychological, and spiritual well-being. As a part of Hospice Halifax, you will join a team that makes a significant impact on the lives of patients and their loved ones every day.

Reporting to the Executive Director, you will embark on a profoundly rewarding journey as Hospice Halifax seeks an exceptional individual to lead the philanthropy team's efforts in funding programs that sustain the organization's exceptional approach to hospice care. The chosen candidate will bring strong fundraising leadership skills and will be positioned to advance major gift activities, fund development, donor relations, and community outreach. Your exceptional communication skills will help strengthen Hospice Halifax's donor pipeline, while your ability to mobilize people will allow you to inspire large groups of volunteers and mobilize support for outstanding events such as Light Up A Life, Feeling the Love, and Hike for Hospice. A passion for tracking success through innovative fundraising strategies and key performance indicators (KPIs) will be critical to your success in this role.

The ideal candidate will have at least five (5) years of senior philanthropy experience, thrive in a culture where excellence in care is paramount, and be committed to building strong practices for stable growth to continue supporting the community. Join Hospice Halifax as a key team member dedicated to making a difference in end-of-life care in Halifax, committed to creating a space for grief, learning, and compassionate support through innovative practices and comprehensive education.
